

GREENWOOD LASSIE LEAGUE SOFTBALL

GLL TEAM PARENT RESPONSIBILITIES

PARENT CONTACT INFORMATION

- Please introduce yourself to the coach, team and other parents at the first opportunity.
- Be sure that you get the BEST contact information from all **parents**. (Do not get cell phone information for the players! There is no reason for you to have this information and it has caused numerous problems in the past!!!)
- You will be the main contact person for all “administrative” questions that parents have so please make sure that the other parents have **your** contact information.

FUNDRAISER & CONCESSION STAND

- You will need to distribute the fundraiser information to all players that have chosen to participate in the fundraiser rather than pay the \$35 buyout.
- You will also be responsible for collecting the money from players/parents as they complete the sale.
- Please make sure that you are reminding them to turn it in at each practice.
- **ALL MONEY MUST BE TURNED IN TO FUNDRAISER CHAIR SHELLY MEYER BY SATURDAY, APRIL 30th IN ORDER FOR THE PLAYER TO GET THEIR UNIFORM AND PLAY IN OPENING DAY GAMES!!!**
- Please direct any fundraiser questions toward Shelly at 736-8929 or dmeyer7000@embarqmail.com
- It will also be your responsibility to schedule parents to work the concession stand on the dates that your team is designated. If 3 people do not show up to fulfill the responsibilities for the entire evening, your team will forfeit it's next game. **Please contact Tracy Imel at imelmom4@comcast.net or 887-3335 or 437-7370 to let her know who will be fulfilling your Concession Stand duties** or if you have any questions regarding Concessions.

OPENING DAY

- Please make arrangements for the team to have a truck available to use for the Opening Day Parade. (Most teams will have a parent that has a truck available for them to use.)
- There will be a prize for the best decorated truck so you can ask for donations of posters, decorations, streamers, balloons, etc. to help with decorating the team truck.
- The girls can also throw candy to spectators, but please make sure that they know to only throw it when there are spectators along the route.
- Please make sure that your area is cleaned up in the parking lot before leaving.
- Make sure that the parents and players are aware of all of the Opening Day Activities so that they don't miss out on anything.

UNIFORMS

- Please verify sizes and names to be put on the back of the shirts by April 13th in order to get orders placed in plenty of time.
- Pick up the Uniforms and distribute them to the rest of the team. (Uniforms will be back by April 30th!)
- Please make sure that all parent fan packs are distributed.
- Please bring any uniform or Parent Fan Pack issues to the attention of Wade or Amie Rugenstein at 281-6810 or arugenstein@att.net .

PICTURES

- Distribute Order Forms to all team members and inform them of your team's time for pictures.
- Once the pictures are in, you will be notified to pick them up in the Concession Stand and distribute them to the rest of the team.
- Please contact Wade or Amie Rugenstein at 281-6810 with any questions regarding pictures.
